

“Memory Lane” at Homecoming Park

The “memory lane” project is a way to honor or remember individuals, civic groups, military personnel, pets, community leaders, companies, and various achievements.

The program is managed by volunteers from Rockwood 2000 Inc. a non-profit 501(c)(3) organization that supports beautification, historic preservation and education.

When you purchase a “memory lane” paver, you are becoming part of our local history.
