Subject: Rockwood 2000 Thanking their Home Owners, Sponsors and Members for their Hard Work

Dear Editor,

The 20th annual Rockwood Christmas Home Tour was a great success, and Rockwood 2000 would like to thank the people that made it happen. There are so many individuals to thank for their numerous hours of work, but we want to extend a special thanks to our Christmas Tour Home Owners, as the event would not have been possible without them. Rockwood 2000 is fortunate to have so many dedicated members and such strong community support.

At this time we would like to take the opportunity to thank this year's Christmas Tour sponsors:

The proceeds from the Christmas Tour's ticket sales will enable Rockwood 2000 to continue projects that help to make Rockwood a proud community to live in.

These efforts include a yearly academic scholarship and preservation of our unique historical areas. Also, continuing to improve Rockwood with beautification efforts such as the Homecoming Park, which was breathtaking for the Christmas Tree Lighting Ceremony, held Friday before the Christmas Tour.

All the members of Rockwood 2000 want to extend wishes of a joyous Holiday Season to all and a heartfelt thanks to our sponsors and to everyone associated with making this year's Christmas Tour another one to remember.
