

Rockwood City and Service Employees Enjoy Lunch in the Park

Rockwood 2000 hosted a lunch Friday June 11 for the city and service employees of Rockwood in appreciation for their hard work throughout the year. This group includes employees from Rockwood Electric, local police and fire departments, representatives of city council and the city garage. This event was initiated years ago by Rockwood 2000 and continues to be held yearly. Many other city and state officials also attended the lunch.

Rockwood 2000 pursues the vision of a renaissance in the city of Rockwood through implementation of historic preservation, projects that beautify the city, and activities that celebrate community pride.
